The Department utilizes this form to have mental health professionals document the individual's mental health condition. The GR Program assists needy adults who are ineligible for State or Federal assistance. An average GR case consists of one person, living alone, with no income or resources. The maximum monthly GR grant is \$221.

GR applicants are required to participate in work, training, or educational activities for 20 hours per week, which are offered by the GR Opportunities to Work (GROW) Program.
